PREPARATION

M-10 Gel-Coat Heavy Cut Marine Compound

Recommended for All marine paint systems: including Gelcoat, Fibreglass, Molds, other composites and harder clear-coats. Quickly and easily removes imperfections, random deep scratches, and heavy oxidation in the shortest possible time, delivers a unique depth of gloss and mirror like finish.

1L #M-00010

M-12 Marine Compound

Heavy Cutting Marine Compound, recommended for Gelcoat, Fibreglass and harder clear-coat marine finishes.

Quickly and easily removes imperfections, random deep scratches, and heavy oxidation to enable the end user to deliver a unique depth of gloss mirror like finish.

1Kg #M-12001

M-40 Ultra-fine Finishing Polish

Recommended for single-step light marine restoration, delivers a deep, long-lasting gloss in the shortest possible time. Traditionally used as a second step polishing process where oxidation, scratches or sanding scratches have been removed, to deliver optimal gloss and removal of holograms/swirl-marks from previous polishing steps.

1Kg #M-40001

COATING

UV Sealant P.T.F.E. Coating

Surf-ACE UV Sealant is a unique blend of PTFE and acrylic resins containing UV screens and leaves an unrivalled deep gloss shine and a protective barrier.

Proven for use in exacting environments from the Mediterranean to Florida to the Middle East.

Surf-ACE UV Sealant successfully passed independent QUV testing for the equivalent of 20 years exposure. (Test performed by the University of Hull Institute for Chemistry in Industry)

Unique water based formulation

1L #M-90001

“We use Surf-ACE Compounds to help us deliver the ultimate finish to our gelcoats and paintwork. The speed, ease-of-use and level of performance the products offer is a real bonus to our business.”

Cachi Marine, Florida, specializes in custom painting and metallic painting for yachts. They pride themselves on providing top quality boat and yacht painting services.

PROTECTION

UV LIQUID SHIELD

Multi-surface 3-month exterior hydrophobic protection. Repels water and dirt build-up.

500ml #M-60500

5L #M-60005

“Slows down barnacle growth... recommended for regatta race events.”

Cowes Race School,
Isle of White, England

UV WAX

High-gloss Carnauba Speed Wax with UV protection. Can be applied to wet surfaces.

1L #M-80001

5L #M-80005

“After previously using many products for boat cleaning and restoration, I can honestly say the results achieved with the Surf-ACE Marine range really surpassed my expectations. An amazing selection of products which genuinely delivered in ease of use, performance and finish. The transformation to the client's boat is unbelievable, gleaming like it's just left the showroom... one highly delighted customer.”

Fiddlers Ferry Boatyard, Warrington UK offer a complete service from fibreglass repairs, through to engine repairs and servicing

MAINTENANCE

UV BOAT WASH

Wash Down concentrate. Low foam with hydrophobic high-gloss finish. pH neutral.

1L #M-10001
5L #M-10005

BOAT CLEANER

Caustic free, high performance cleaner and degreaser concentrate.

 Aluminium safe
5L #M-20005

BOAT CLEANER XTREME

Economic heavy duty hull and hard surface cleaner & degreaser.

5L #M-30005

FAST-FINESSE

Problem solving cabin spray cleaner and polish. Safely removes finger marks, light soiling and dirt. Fresh fragrance.

500ml #M-11500
5L #M-11005

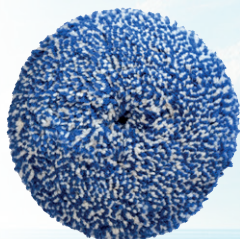

GLASS CLEANER

Sparklingly clear-squeaky clean finish, no smearing, no coloured rainbow haze.

500ml #M-50500
5L #M-50005

ANCILLARIES

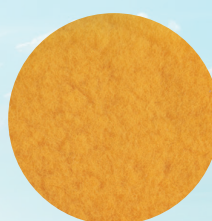

Marine Super-Buff

Double-sided compounding

mop ideal for use with Surf-ACE Marine M-10 and M-12 compounds to remove heavy scratches and oxidation.

8" #91110 | 3" #91112

XC-15 Gold Micro-Wool

Delivers the speed of cut of a conventional

lambswool pad without the creating micro scratches and swirls. Effortlessly removes deeper scratches.

175mm #90026

P40 Finishing Foam

Ultra-fine and soft polishing foam

removes light scratches and holograms, will not create swirls and leaves a mirror finish to any paintwork.

175mm #MB33003

'Need for Speed' Kit

Surf-ACE Marine M-12 and M-40 compounds 100gm bottles packed in an attractive box.

EU Pack #M-60000EU

US Pack #M-60000US
