

EXHIBITION PLUS+

CONCOURS & SHOWROOM SPRAY CAR CLEANER & POLISH

- **Now acts as a barrier to dirt: polished surfaces repel dirt and insects**
- **Protective coating makes subsequent cleaning easier and faster**
- **Water 'sheets away' from polished surfaces, to minimise water spotting problems**

An Exhibitor's must! Problem solving liquid spray cleaner and polish. Allows for fast and easy cleaning and polishing of paintwork, with no residues or staining problems, no chalk deposits.

Perfect for showrooms! Quickly cleans and polishes back to showroom condition, no unsightly residues, will not stain or mark tiled floors.

Quick clean-up: Safely removes finger marks, light soiling and dirt, water spots etc. from paintwork, glass, plastic and chrome.

Restores gloss: Brightens and restores paintwork gloss to all paint finishes.

Pleasant to use: Contains no harsh ingredients, leaves a fresh and clean fragrance.

OEM Approved: used and approved by leading Car Manufacturers such as BMW.

Directions:

Apply out of direct sunlight on cool surfaces. Mist spray onto surface, wipe over with a CAP-4 micro-fibre cloth. Immediately turn cloth to dry surface and buff to a deep gloss shine. (This product is not for heavily soiled finishes).

Typical Specification:

Composition : A highly refined blend of surfactants, glycol ether, perfume, dye & water.
 Appearance : Opaque yellow liquid
 S.G. : 1
 Shelf Life : Minimum 2 years in unopened containers
 Packaging : 750ml, 5L
