

# FANTASY

## MULTI-DRESSING

**Multi-Function:**

Highest quality interior and exterior conditioner to enhance plastics, vinyl, rubber seals, tyres and engine compartments etc.

**Controlable Finish:**

Fantasy can be used neat for a deep high gloss sheen or diluted with water to control/reduce gloss levels.

**Typically for following applications :**

Interior Plastics: Dilute with 5 parts water for natural 'as-new' plastic finish. On highly absorbent hard plastics use undiluted.

Engine Compartment: Use undiluted or with up to 5 parts water.

Door Shuts: Dilute with 5 parts water.

Tyres & Exterior hard plastics: Use undiluted.

**User Friendly:**

Fantasy is solvent free, non-flammable and very easy to use.

**Protects:**

Treated surfaces are sealed against moisture, dust and traffic film.

**Directions:**

Soiled surfaces should be pre-cleaned.

Apply Fantasy using a trigger spray or cloth. Wipe over surfaces and allow to dry.

Note: not suitable for spraying in a paintshop environment.

**Note:** if polishing leather check an inconspicuous area before proceeding to ascertain there are no adverse effects.

**Typical Specification :**

Composition : A water based complex non-volatile silicone emulsion, perfume and dye.

Appearance : Opaque Emulsion

pH : Neutral

Colour : Pale Green

Odour : Fresh

F.P. : N/A

Storage : Protect from Freezing/Frost. Store between 5°C & 35°C

Shelf Life : 2 years minimum in unopened containers.

Packaging : 5L & 25L Polys
