DATA SHEET

GO-ORANGE

A fast-acting solution based on refined Orange Oils.

Removes a wide range of contaminants: stubborn labels/vehicle decals, oils, grease, tar, & chewing- gum, ink stains etc., from solvent resistant surfaces: paintwork, glass, metal etc.

Excellent working time assists penetration of the most stubborn deposits.

Removes rubber car tyre/scuff marks from workshop/showroom floors.

Pleasant to use – natural Orange-Citrus fragrance.

DIRECTIONS FOR USE

Apply the solution un-diluted to the surface using a trigger spray, or with a dry absorbent cloth.
Allow the solvent to react for 1-3 minute, gently rubbing the solution using the application cloth, then wipe-off or rinse-off with a high-pressure cleaner.
IMPORTANT NOTE: BEFORE USE check the surface colour fastness and material compatibility.
