

H.D. FABRIC CLEANER

HEAVY DUTY HOT WATER EXTRACTION DETERGENT FOR MACHINE USE (ALL MAKES)

Specially Formulated: For the exacting demands of the automotive/transport sector, cars, coaches, buses etc.

Rapid Action: Rapidly releases even ingrained soiling.

Low Foam: For ease of pick-up: no sticky residues.

Lifts Fibres: Deep cleaning action restores fabric pile.

Brightens Colours:
Special brightening ingredient to give back original colours.

Fresh Fragrance: Leaves freshly cleaned interiors – no musty after odours.

Emergency and crash repair vehicles: Highly efficient in removal of blood stains on carpets and fabrics.

Super Concentrate: One litre will clean up to 60 square meters of fabric or carpet.

Directions: Dilute one part with up to 60 parts of hot water. Ensure detergent spray and suction recovery is functioning correctly.

Spray and pick up in accordance with machine manufacturers recommendations.

N.B. Test a small inconspicuous area of the fabric/carpet for colour fastness before commencing cleaning. Ensure that as much liquid as possible is extracted from the fabric to speed up drying.

Typical Specification :

Composition	: An aqueous blend of emulsifiers, sequestrants, chelating agents, optical brighteners, fragrance, dye.
Appearance	: Clear liquid
Colour	: Bright Blue
S.G.	: 1.058
pH	: 13.5
