

NU-STYLE SPRAY

SILICONE FREE PLASTIC TRIM CONDITIONER

Specially Developed:

A silicone free plastic trim conditioner for use by professionals in the paint and bodyshop environment.

Easy and Instant:

Quick and easy to use to give instant restoration of faded plastic and trim to 'as new' look.

Multi Use:

For dashboards, door panels, centre consoles, air vents, rubber etc.

Controllable Finish:

Treated surfaces can be buffed with dry cloth to control level of sheen.

Refreshes:

Refreshingly clean fragrance revitalises stale interiors giving that 'nice to drive again' feeling.

CAUTION: Pressured Container.

Protect from sunlight. Do not expose to temperatures exceeding 50°C. Do not puncture or incinerate even when empty. Do not spray onto naked flame or any incandescent material.

Directions for Use:

Shake can. Spray evenly over surface from 15cm (6") holding can upright. Lightly buff large surface areas for an even finish using clean lint free cloth. For a trigger spray silicone free alternative, use Panache #591.
