

SPORT

TYRE DRESSING

LONG LIFE: Waterproof tyre conditioner for extended life forecourt display.

EXCELLENT COVERAGE:
Wets out to tyre surface without effort.

FAST DRYING:
For rapid vehicle turnaround.

SATIN LUSTRE: Non-tack finish.

SURFACE FRIENDLY:
Non-aggressive solvent blend will not mark surrounding paintwork or plastics on wheel trims.

VERSATILE:
Can be used with cloth, brush or spray.
user-friendly: No harsh solvent odours.

DIRECTIONS: (See notes below)
Apply with brush, cloth or spray. Rub with cloth to remove dirt. Allow surplus to dry if sheen required or remove with clean cloth to reduce shine.

NOTE: DO NOT USE ON DRIVING CONTROLS (e.g. rubber pedals or rubber mats).

Not suitable for spraying in Body/Paintshop environment. Do not use on motorbike tyres.
