

BOAT CLEANER

Caustic free, high performance cleaner and degreaser concentrate - Aluminium Safe

Versatile: To meet a wide range of washable-cleaning tasks for Boats and RV's.

Powerful & caustic free biodegradable cleaner & degreaser, for removal of dirt, oils, grease, exhaust-soot deposits, grime and heavy staining on both superstructure and hull.

Cleaning applications: Safe to use on Gelcoat, Fibreglass, Paintwork, Chrome, Aluminium, Vinyl, Canvas covers, Tarpaulins, Decks, Vinyl & Fabric Upholstery.

Dilution rates with fresh water must be determined by the job in hand, but for guidance the following dilutions are recommended.

Degreasing/heavy stains: dilute 1:4

General use: dilute 1: 10 to a maximum of 1:40

Vinyl/fabric upholstery: dilute 1:10

N.B: Do not use excessive strengths. Do not allow material to dry out on any surface or staining may occur. For Fabric & Carpets: Check a small inconspicuous area of the fabric/carpet for colour fastness before commencing cleaning.

Typical Specification :

Composition	: A complex blend of non-ionic and cationic surfactants coupled with chelating agents, water and dye.
Appearance	: Clear liquid
Colour	: Neutral
S.G.	: 1.085
pH	: 10
Odour	: Mild
Shelf Life	: Two years minimum in unopened containers at ambient temperature. Protect from freezing.
Packaging	: 5L

In hot weather exterior surfaces should be pre-sprayed with cold water before application of the cleaning solution. Apply diluted solution with a Low-Pressure Spray, brush or sponge: agitate where required. Allow to act, then neutralise by rinsing away thoroughly with clean water.

Dry surface with ARID DRYING TOWEL, chamois or equivalent.

CODE: M-200
