

# FAST FINESSE

## CABIN SPRAY CLEANER-POLISH

Quick clean-up for daily cabin maintenance and detailing: removes light soiling and dirt, finger marks, water spots etc. from any non-porous surfaces; polished wood, plastic laminates, glass, mirrors, tiles, paintwork, stainless steel and chrome.

**Protective coating:** helps repel dirt making subsequent cleaning easier and faster.

**Easy maintenance:** water 'sheets away' from polished surfaces, to minimise water spotting problems.

**Pleasant to use:** enhances the cabin environment to leave a fresh peach clean fragrance.

**Directions for use:** Apply to cool surfaces out of direct sunlight. Mist spray onto surface, wipe over with a micro-fibre cloth. Immediately turn cloth to dry surface and buff to a deep gloss shine.

**Note:** FAST-FINESSE is not recommended for heavily soiled finishes.

### Typical Specification :

Composition : A highly refined blend of surfactants, glycol ether, perfume, dye & water.  
 Appearance : Opaque yellow liquid  
 S.G. : 1  
 Shelf Life : Minimum 2 years in unopened containers  
 Packaging : 500ml, 5L

CODE: M-115
