

## VISION

### SUPER WAX P.D.I. CAR POLISH

A superior Wax Car Polish for a deep gloss finish for New and Late Used Vehicles.

**'Grand-Prix' Finish:** Outstanding depth of gloss and shine with a unique high slip feel. Polyurethane re-inforced.

**Super Fast:** Easy on – easy off.

**Light Cleaner:** Very mild cleaning action makes Vision suitable for new paintwork, new vehicles, quality late used and for all paint finishes including metallics and water based.

**Low Chalk:** Minimises rubber or plastic staining. No dusting problems.

**Water Compatible:** Vision is unaffected by water-trim residues.

**User/Environment Friendly:** Unique water based formulation contains no aromatic solvents.

**Bodyshop Approved:** Contains no volatile silicones.

**Specially Developed:** For the polishing and protecting of cars, coaches, motorbikes, trucks, aircraft, boats, caravans etc.

Vision is one of Concept's high technology New Millennium Polishes using today's most advanced raw materials to deliver

**The World's Best Car Polish Finishes.**

**Directions:** Do not over apply or use in direct sunlight. Shake well before use. Apply to clean cool surfaces with soft polishing cloth. Allow to haze then buff to shine with a micro-fibre polishing cloth.
